Dear sir,

Invoice No.: 26-27/B/000181

In this invoice, we missed mentioning the serial number of **Clean Agent 4 KG – 1 No. cylinder**. The serial number was missed from our end.

Invoice No.: 26-27/B/000194

Similarly, in this invoice, we missed mentioning the serial numbers of **ABC 6 KG 50% – 3 Nos. cylinders**.

We have also checked with the client regarding the missing serial numbers. However, the client has already supplied the material to their customers, and it is now difficult to trace the missing serial numbers.

Kindly guide us on the further process and advise how we should proceed with these cases.

Thanks & Regards
